

## Expanding Opportunities for Children and Families

We are currently in the process of working with community leaders to review our guidelines. We look forward to sharing the application questions with you here once they have been established. In the meantime, below are some questions we may ask in an application:

- Purpose
- Area of Work (Direct Service and/or Systems Change)
- Grade Levels Served
- Amount Requested
- Staff, Volunteers, and Board (number of each)
- Staff and Board Demographics
- What percentage of employees are earning a living wage?
- Information about the organizations leadership
- Level of engagement of communities served
- Describe outcomes organization/program is working on
- Activities to achieve outcomes
- How the organization ensures quality programming
- Community demographics
- Geographic area served
- Financial Information (budget, audit, 990)
